

COLLEGE WITH POTENTIAL FOR EXCELLENCE

The college is one among five colleges in the city to be awarded the status of CPE - College with Potential for Excellence by the UGC which helped to develop the existing infrastructure and sustain research interest.

INFRASTRUCTURE

In the past five decades the college has seen tremendous growth in its infrastructure, through its complete and adequate infrastructure in the form of excellent laboratories and the state of the art equipment facilitating innovative methods of teaching and learning processes in keeping with the changing trends in education

LIBRARY

The college has a well-stocked library with all the latest and advanced technological support system. Housed in a three storied building with ample space, airy and well-lit interiors, it has a valuable collection of books and national & international journals which are easily accessible.

HOSTEL

Seth Purushotham Doss Gokul Doss Hostel started functioning in 1965. Students from various places are given accomodation with a mess providing pure vegetarian wholesome food. Hostel also houses a recreation hall with facility for playing indoor games.

ABOUT THE COLLEGE

Dwaraka Doss Goverdhan Doss Vaishnav College a linguistic minority institution was established in the year 1964. The munificence of Late. Shri. Jumna Doss and Late. Shri. Amichand Doss in donating a vast extent of land led to the establishment of this college. They together with the kind-hearted and like-minded members of the Rajasthani and Gujarati Communities in the city started the Vallabhacharya Vidhya Sabha in 1963 with the sole purpose of imparting value based quality education for all.

The college has been a haven for generations of enthusiastic learners for over five decades. It has seen a phenomenal growth in terms of infrastructure and state of the art equipment and technology. The curriculum is reviewed and redesigned periodically to cater to the specific needs of the student community in tune with the changing trends in diverse disciplines of arts, commerce, science, technology and management studies. A multi-disciplinary approach in designing the programmes has culminated in skill development and ensured industry-academia collaboration. The exemplary performance of the students in curricular and co-curricular and extension activities has made the institution stand as epitome of excellence in higher education
